4. You will then see a page that says **“Confirmation Email Sent”**
5. Return to your email inbox and open the email from GovOS. The email will say **“Verify Your Email Address”** (Note: If you don't see the email in your inbox, check your spam/junk folder.) Click the **“https”** link in the email to confirm your email address.

6. The link will take you to the **"User Set Up Screen"** where you can complete your user profile. Once you've entered your information, click **"Continue to Business Profile."**
7. On the next page, you will enter your Account Number and Activation Code then click "Lookup" to find your property. *(The activation code and account number can be found in the letter you received from the city.)* Choose your role and click **"Connect"** to link your property to your account. Click **"Go to Business Center."**
8. Once you're in your Business Center you will be able to see Open Tasks and complete your registration through the clickable link.

The screenshot shows two sections of a registration form. The top section, 'Set Your Password', has fields for 'New Password' and 'Re-enter New Password', with a 'Password' sidebar listing requirements: at least 6 characters, containing letters and numerals, and not containing email or name. The bottom section, 'User Profile', includes fields for First Name, Last Name, Address, City, State, Country (a dropdown menu), Telephone, and Postal Code. A 'Continue to Business Profile' button is at the bottom right.

The screenshot shows the 'Connect to your Property' screen. It asks for 'Account Number' (6-digit tax remittance) and 'LODGINGRevs Activation Code' (6-digit code), both with 'XXXXXX' placeholders. A 'Lookup' button is next to the code field. Below, a table 'Found Business:' shows a business named 'Testing Again' with a role of 'Employee' and an assigned date of '10/23/20 14:50:05'. A 'Connect' button is next to the role. At the bottom, a 'Go to Business Center' button is highlighted. Orange arrows indicate the flow from the input fields to the 'Lookup' button, then to the 'Connect' button, and finally to the 'Go to Business Center' button.
